

Troy Community Farm

2011 Plant Sale

Date: Saturday, May 14th
Time: 10:00 AM to 2:00 PM
Location: Troy Passive Solar Greenhouse
 502 Troy Drive
 Madison, WI 53704

All our plants are certified organic and grown in our passive solar greenhouse. Passive solar means that we do not burn fossil fuels for heat, but use only the sun. Tour the greenhouse and learn about our passive solar system during the plant sale.

Packs can be sold as one variety or as a mix of varieties of any one plant type. We grow all these varieties on our farm, so we know they do well in Madison.
